2 I love dancing and music. We have a festival every year. We dance in the streets and play music too. In this photo, I'm wearing traditional Irish dress and I'm dancing with my friends.

I'm Sonya. I'm from Ireland. In this photo, my sister is playing the harp in a festival. The harp is a traditional Irish instrument. My friend Alex is playing the violin.

In this photo, I'm making a kite with my friends. Uttarayan is my favourite festival. It's in January.

My name's Nihar. I'm from India. I feel very happy on the day of Uttarayan, the kite festival. The sky is blue and you can see hundreds of kites. They are lots of different colours.
