C For questions 1–10, read the text below. Use the word given in capitals at the end of each line to form a word that fits in the space in the same line. There is an example at the beginning (0).

Business etiquette in Britain

Many (0) foreigners believe that the British are more formal than they really are. Nowadays, first names are used among colleagues and are (1) _____ common on the phone, even when there has been no personal (2) _____. Handshaking is (3) _____, except for first meetings, or when people see each other again after a long (4) _____. Also surprising is the British attitude towards (5) _____: business meetings frequently start ten minutes late, and on social occasions it is (6) _____ to arrive on time. If you receive an (7) _____ to dinner, you should arrive ten to twenty minutes after the stated time. In conversation, politeness is valued, so British people avoid strong (8) _____ of opinion. This sometimes gives the impression that they are (9) _____, but it is in fact just their way of avoiding (10) _____ or confrontation.
