

A rainbow visit

10 I don't like walking or riding a bike.
I like flying!

I fly to the park and I fly to school.

Today I'm flying to see my friend Bobbie.

He lives next to a rainbow.

I love visiting him. He eats silly, fun food.

Look! Rainbow cake and rainbow fruit!
Fun-tastic!

What fruit can you see in
Jesse's rainbow? Write a list.
