**Przeczytaj tekst o Emily.**

Hi! My name's Emily. My birthday is on Thursday. I'm eleven! I want to go to the cinema with my friends. The film starts at half past six. There's a restaurant opposite the cinema. We want to eat some pizza after the film. It's Tuesday today. I'm doing my homework at the moment. My favourite subject is History. My best friend Anne doesn't like History. Her favourite subject is Maths. I don't like Maths. Anne's desk behind my desk. I like school but I'm happy the school year finishes soon! Only thirty days and it's holiday!
