Dear Debbie,
I'm having time of my life in New York.
I've here for two weeks now. I'm staying in
Manhattan with my friends, Taylors.
Americans are very different from English.
moment I arrived at Kennedy Airport I noticed it.
... people were very friendly there. I think I've seen
all famous sights here. ones I liked best were
.... Statue of Liberty and Times Square. I'm going
to Washington next Monday. I'm looking
forward to visiting President's home, White
House. We're going by bus because Mr Taylor's
got flu. We're going to cinema tonight and
then for dinner at best restaurant inNew
York Four Seasons. I'll be home for
Easter.
Best wishes,

Ms Debbie Clarkson
